100	\$3.00
300	\$2.25
500	\$2.00
1000	\$1.30

*The new recording package #1 shows special reduced pricing for a solo instrumental recording. This can be either solo piano or another instrument. If it is an instrument that requires piano accompaniment, recording the accompaniment is included at no additional charge.*

*The second new package is #4 and is likely to become one of our most popular packages. This includes everything from the piano/vocal recording, plus up to six tracks of other instrumentation. This would typically include strings and a wind instrument.*
